

Survival data

Vera, Maximilian, Tina

Boxplots

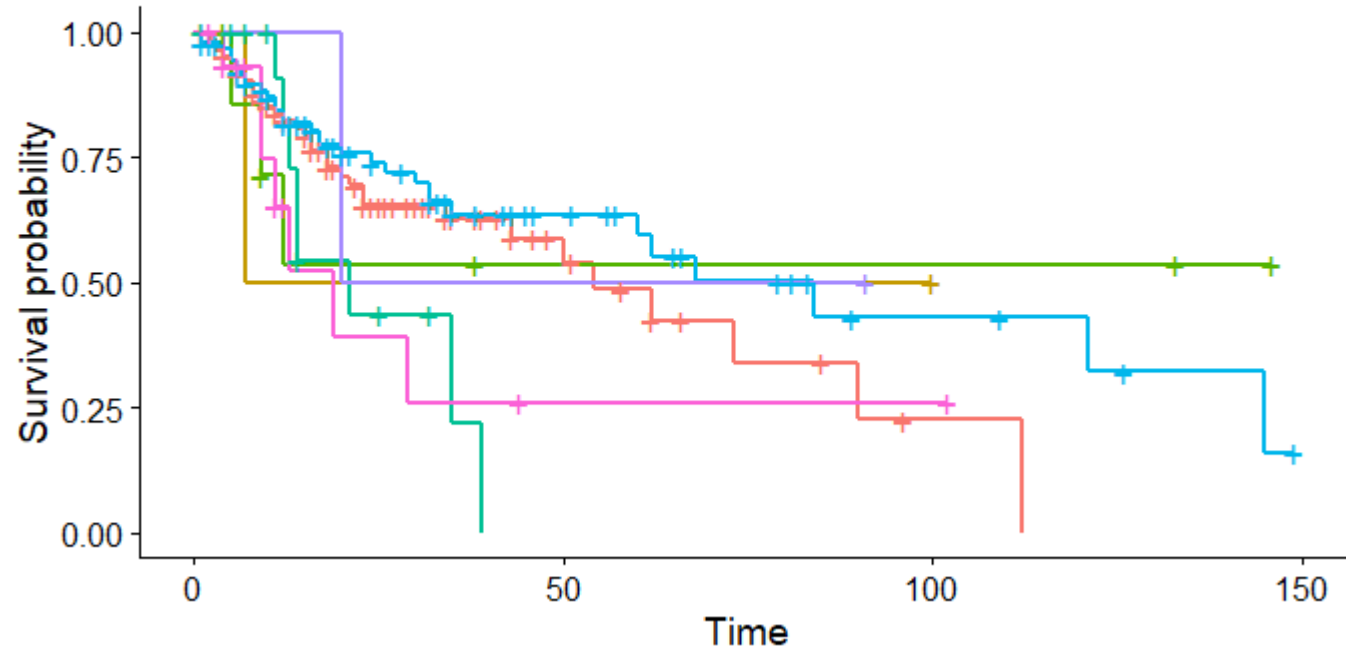

Survival Analysis for different genes

Survival by Carcinoma Type

Legend:

- Large cell carcinoma, NOS (Green line with '+' markers)
- Squamous cell carcinoma, NC (Blue line with '+' markers)
- Small cell carcinoma, NOS (Teal line with '+' markers)
- Adenosquamous carcinoma (Purple line with '+' markers)

Small cell carcinoma has the steepest survival curve

Large cell carcinoma has a very moderate curve.
